## NEW CALVARY BAPTIST DELIVERANCE OUTREACH CHURCH

### FROM THE PROPHETS DESK

### IT IS AMAZING

It is amazing how God can “change” circumstances in our lives by just allowing us to make the right choice. Deuteronomy 30:19, “Choose Life that you and your descendants (seed) may live. John McCain chose life (Sarah Palin) that he and his campaign may live. God has turned it around! She is stronger on the pro-life issue than he is and most of all she has proven it in her life’s decisions. Keeping her “down-syndrome” baby and encouraging her teenage daughter are not popular decisions, most would choose the least path of resistance. She chose life in

both instances never expecting anything but probably hard times and another level of discipline from those decisions. Sarah Palin probably didn’t know it was the litmus test from God. “Promotion comes from the Lord”, Not the RNC nor DNC. Not Barack Obama or John McCain. Decisions she made with God and her husband under duress pleased a omnipresent God. Jehovah saw their faithfulness to who God is and what God would want. Decisions would not bring fame and comfort, but would honor God. They were not concerned with self but with principle and love for our most

vulnerable society. Humble thyself in the sight of the Lord and He will lift you up. God rewards faithfulness. Sarah Palin was faithful to her God despite the hardship she knew it would bring. God allowed the test to reveal her heart for God to our nation. Sarah had no idea God was going to use her crisis to speak to America about the sanctity of life and our responsibility to protect live even in the most difficult of situations. She past the test! God put it in the spirit of John McCain who also endured great suffering to choose her to bring “True Change” and the rest is history in the making.

### continued:

.John McCain’s status has positioned her and now according to the polls she is more . popular than everyone on both tickets. Two decisions Sarah Palin made within two months speaks to us that all our decisions must honor God. No matter how stressful or demanding the ramifications

will present, we must choose life. We all are faced with choices in life everyday. God carefully weighs our decisions and destiny is determined by what choices we make. Will we honor God with our money? What the Church and the Pastor doesn’t know, God does. s this relationship

honoring God? What the Church and the Pastor doesn’t know, God does. When we choose to honor God it releases destiny and a sure reward. Most miss out due to taking the worlds way out! The least path of resistance. Learn to trust him in private and he will exalt you in public

This is my Bible I am what it says I am, I can do what it says I can do.  
 I am a believer, not a doubter. I am a doer and not just a hearer  
 And my life is the better after having heard the Word of Faith.....

## WORDS OF ENCOURAGEMENT/TESTIMONIES

Poem by:

Sis. Taneesha Dixon

As I

As I look back seeing my mom out there on her own, I never knew what was wrong back at being in the 6th grade and people asking me where my dad was. I would have felt better about myself. As I look back I wonder why? Why do I have to be the center with it, out of all people....Me? As I look ahead I no longer look back, it was because that brought me through. As I look ahead, I see that this was your plan for me. As I know how much you love ME!

Looking back is what's holding you back, so look ahead and that is what's going to ahead!!
