I Can See GOD In You

From the Elect Lady to her children at New Calvary Baptist Church. Peace and grace be unto you from the most high GOD and our Lord and Savior Jesus Christ. Dear Children, when you look into the mirror, what reflection do you see looking back at you? For you were made in the image of our GOD and just like you are not identical to your mother and father, but have some of their characteristics: I see the same characteristic of your heavenly father in you when you go forth and minister. I can see him in you when you take the time to go down and Minister at New Vista. I can see him in you when you stand in front of the body of Christ and praise dance. I can see him in you when you minister in song. I can see him in you when you mime. I can see him in you when you play the drums. I can see him in you when you take the time to hold a child so that a mother can get her break through. I can see him in you when you went over to New York and passed out the Maafa 21 DVD's and held signs. I can see him in you when you stood out in front of the abortion clinic to save babies lives. I can see him in you when you went to Washington and laid roses on the steps of the Supreme Court. I can see him in you when went to St Louis and marched for the unborn. I can see him in you when you went to Newark and stood in front of the Courthouse for school choice. I can see him in you when you worked in S.A.F.E. I can see him in you when you work with the kids in the after care. I can see him in you when you work in the daycare. I can see him in you when you clean the church. So continue to let your light shine so that man may see your good works and glorify your Father, which is in heave. That all men may be drawn unto him by seeing him through you

WORDS OF ENCOURAGEMENT/TESTIMONY

Keep Fighting
Elder Marquis Boone

Taken from Streaming Faith Daily Devotionals

I would say within this last decade families have taken a major blow. The assault that has been committed physically looks like the institution of the family is loosing. However, the great news is that no weapon formed against us shall prosper. The family is so important today that we have to make up in our mind that we are willing to fight for what family represents, what family stands for, and what makes up a family.

2 Corinthians 4:17 (NKJV) *"For our light affliction, which is but for a moment, worketh for us a far more exceeding and eternal weight of glory; While we look not at the things which are seen, but at the things which are not seen for the things which are seen are temporal; but the things which are not seen are eternal".*

You now understand that every affliction you went through was only for a moment even though at times it seem like it was lasting forever.

I want to make a declaration and say keep fighting! Keep fighting for your family. Whether you're fighting for your marriage; fighting for your family; or fighting for your future; just keep fighting! Don't you lose heart, and don't you give up!

This is your month of transformation, because you realize that your family is important and they are a blessing from God.
