# FROM THE PROPHET'S DESK

I am coming to the close of the busiest month of my life and also the most spiritually intense. I just have to stop right now and thank the prayer warriors and intercessions who have stepped up their prayer life and have kept me before the throne. Every place I have gone the facilitators all spoke of an overflow response. The pro-life engagements were deeply humbling and revelatory. I have learned a lot and I know the Lord is so concerned over the state of the church. We are the *apple of his eye!* He loves so much.

Our heavenly father is grieved when we fail to speak up for his truth. Our unwillingness is just as Mathew 10:32 &33 states, *whosoever therefore shall confess me before men I shall confess them before my heavenly Father, but whosoever shall deny me before men him will I also deny before my Father which is in heaven.*” So much of the church is in denial and refuses to confess and declare your total allegiance to God through the Son.

That is why the culture has become so perverse. We have refused to confess our allegiance daily to the King of Kings and the Lord of Lords. Thus we can easily become like Peter when he warmed himself by the fires and warmth of secular opinion. Sooner or later someone will ask the question, “Aren’t you a disciple or believer?” Don’t you go to church? I thought your mother and father were Christians? Didn’t you say you were a Christian? Usually these questions are posed in precarious situations when your life is under the microscope and it appears that there really isn’t a distinct difference between what they see in the world and what they thought your Christian witness should be..

This isn’t the time to be a double agent. The deception is permeating the very core of churches who boldly claim to uphold the faith and the bible. I have learned this! To obey God invokes his spirit. **I give my spirit to them who obey.** To disobey you invoke this present *spirit of deception* that has invaded the world and even seeks to conquer the church. Your obedience to God’s word will allow the spirit of truth to guide you as John 16 promises. Your rebellion will lead you into deception and soon you will be chanting also like the lost masses, *yes we can!* I can do all ***things through Christ*** who strengthens me.

### WORDS OF ENCOURAGEMENT/TESTIMONY

Hello saints, giving glory and honor to my Pastor, my Prophet, my Leader and my Teacher.

Bishop Ellis has once again been used as an instrument of divine revelation. The atmosphere is set, and God is waiting on us to begin to take that one step into destiny. In the world famine has it spiritually as well as physically and we cannot do as the world does. We can't do what God has often done by giving us an example. We cannot go to Egypt or Jerusalem to the storehouses. We have to stay where we are so that God can show himself strong in us. We must thrive and prosper in the famine! God is stirring things up and we must give the appropriate response. It is the difference between living the world's lie and living your destiny. We can no longer be just another cog in the machine of the world, but be the tool used set the machine to run the way God intended. If Daniel and the three Hebrew boys had just followed the course that was set before them they would have just become apart of the machine.

It is time to ask yourself how do you fit in God's plan? Have you made the plan to fit you or have you yielded yourself to fit His plan? It is time to stand up and be set aside for God's purpose and not our own. We must stand for the design that was intended for Man. God's design, God's purpose! Who will stand when it is not viewed popular to take a stand or speak up when it is not favorable to speak up. It is time to dare to be a Daniel and speak as a Joseph when those around us would not like our words or our stand.

Until we share the Deacon's Note the next time, walk with the King of Kings!

## **Overcome the Enemy**

Gena Matthews

*"And they overcame him (the enemy) by the blood of the Lamb, and by the word of their testimony."*

Revelations 12:11a

It is interesting to me, the depths the enemy will go to keep us from sharing our testimony with others. He tries to diminish the importance of our individual testimony by sending arrows of doubt as to the effectiveness of our testimony. He tries to use guilt and condemnation to keep us quiet, when the testimony of what we have been through is actually what will set others free. He tries to use fear of rejection to keep us from testifying to others because we do not believe our Christian brothers and sisters can handle the truth of our testimony.

Yet and still, Revelations 12:11a states *"And they overcame him (the enemy) by the blood of the Lamb, and by the word of their testimony."* God has given us authority *"over all the power of the enemy"* Luke 10:19b. The means by which we exercise this authority is by speaking. There is power in your testimony. We must share our testimony with others and continue to overcome the enemy.
