NEW CALVARY BAPTIST DELIVERANCE OUTREACH CHURCH

Last year we reflected on things which happened or didn't happen. Begin the New Year right by speaking over your life. As an offspring, speak the language of God, speak things into existence, God said, "Let the be" and oops there it was. I confess over you women that you will stay connected with the living Christ, never let go. Know that it is not your life, but the life which flows from the living Christ within you. The life in "me" is Christ; it is "not I"- not me. Speak death to evil spirits that are armed and positioned to attack your position. The plan is to break you away from God only to follow satan's evil influences. Wicked spirits speak with incessant whisperings, he wants to depress and bring loss of memory of what Jesus did. Galatians 2:20 says "...**I live by the faith of the Son of God, who loved me, and gave Himself for me**".

Jesus entered into history to raise us beyond history. You have authority in your mouth. A closed mouth won't get you anywhere, but a heart filled with divine information, brings transformation, restoration concluding in manifestation. **Do you need the things you've been hoping for to come to pass?** In 2009, people said you were insignificant, a little worm in the dust, no body. **Rise up** women and speak over your companion, business, child (ren), finances, body, job, neighborhood, and ministry. **If you stay bitter, it won't get better!** The supernatural God is causing the proud, the high and mighty to take notice to the peculiar, royal priesthood, all who are chosen by God. **In the day, saith the Lord of hosts, will I take thee, saith the Lord, and will make thee as a signet; for I have chosen thee, saith the Lord of hosts. God is saying,** he will move people who have tried to hinder, those who are jealous of the anointing, they have laughed at you, he will **SHUT** their mouths, for they will stand in amazement, when they see the Glory of God operating in your life, **saith God,** they will see God establish his covenant through YOU on the earth.

I am a living witness; some people have tried to exterminate us by sowing seeds of discord. The contract is terminated against Dr. Richard L. Spaulding, (Boaz) husband who is my pastor, our righteous seed Evan and me. A great man of God, Bishop Elroy Benn spoke a word into my life, "he said there is a shift in the Spaulding family and the Ark of Safety ministry". Bishop Benn, now I understand the purging, and the shift which was necessary, in order for everything in the region around us to grow. **Wow!** No one can change the course of God's history for it is done!

Say satan, **I refuse and ignore your lies about me. I close my ears to your evil speaking; I release persecutions, false accusations, I release your assignment against me, in the name of Jesus.** The scripture says "Out of the same mouth proceeded blessing and cursing". James 3:10

Prophetically, as in the days of old, I Pastor Anita C. Spaulding, pronounce blessings upon you and your family in 2010.

WORDS OF ENCOURAGEMENT/TESTIMONY

Do Something of Value Tonight

Ephesians 5:15,16

Therefore be careful how you walk, not as unwise men, but as wise, making the most of your time.

Driving home one night after work, I switched on the radio to catch the news. In a moment of uncharacteristic sincerity, the announcer made a statement that sliced through my fog of fatigue: "I hope you did something of value today. You wasted a whole day if you didn't."

His statement struck me abruptly. Fortunately, I felt pretty good about how I had invested my time that day, solving some of the problems of a swiftly growing organization. But in 10 minutes I would be home where one lovely lady and six pairs of little eyes would need my attention.

Would I do something of value with them tonight?

It's just one night, I thought, and besides, I'm exhausted. Then I pondered how one night followed by another, 365 times, adds up to a year. The nights and years seemed to be passing with increasing velocity.

Five more minutes and I'd be home.

I'll bet there are other men like me who are really tired right now. I'll bet I do better than average with my kids, I smugly concluded.

But another question came to mind and lingered: Did God call me to be merely a better-than-average husband and father? Or to be obedient and to excel?

But it's just one night. What would I accomplish? Would I waste it spending all evening in front of the television? Or invest it in planting the seeds of a positive legacy?

I wanted just one evening of selfishness-to do my own thing. But what if Barbara had a similar attitude? Then who would carry the baton?

One more minute and I'd be home.

Just one night, Lord. It's just one night. But then the same angel who wrestled Jacob to the ground pinned me with a half nelson as I drove into the garage.

Okay, Lord, You've got me.
